

An Anthology Of The Spanish Sonnet In English Verse Translation

“ *Nuestras vidas son los ríos
que van a dar en el mar
que us el morir:
allí van los señorios
derechos a se acabar
y consumir;
allí los ríos caudales,
allí los otros, medianos
y más chicos.
allegados son iguales,
los que viven por sus manos
y los ricos.* ”

“ *Our lives are the rivers
that empty into the sea
that is our dying:
there flow great lords and high princes
directly to their ending
to be consumed;
there flow the mightiest rivers,
and the others, tributaries
and lesser streams,
joined together and equal
are those who live by their labor
and wealthy men.* ”

*Jorge Manrique, “Coplas que fizo
por la muerte de su padre”
